

CHRISTMAS ADOPT A FAMILY FAMILY – Z

This is a single Mom with 4 children, ages 6, 4, and two year old twins. They used to live in Fairbanks, moved to Anchorage but it didn't work out. Now they have moved back to Fairbanks and are living with the children's Grandmother until they are able to get their own apartment. Any Christmas Joy you could share with them would help them make this transition and get back on their feet.

HOUSEHOLD EXPENSE

- **Groceries or a gift certificate for groceries would help this family.**
- **A gift certificate from GVEA would be a welcomed practical gift.**
- **Any clothing gift would be a practical and helpful gift.**

Jadelynn, the 6-year-old daughter

A great practical gift for her would be snow pants and a coat, size 6 -7. She could really use a pair of boots, child size 1. Mom said she is wearing last year's winter gear and the boots are really tight. Any clothing (size 6 – 7) would be a great gift for Jadelynn but she especially needs pants.

Fun gift option's would be anything Hannah Montana or from the Littlest Pet Shop toy line.

Sharianne, the 4 year old daughter

The Head Start program was able to provide Sharianne with winter clothing so she doesn't need anything in that area. However, she could really use some stretch pants, size 6.

Fun toys for her would be from the My Little Pony toy line or from the Dora the Explorer toy line. She loves Tinkerbell. Flash cards or other learning toys would be a good choice too.

Destiny & Mercedes, the 2 -year-old twins

A great practical gift option for these girls would be a snowsuit (size 3T) and boots, children's size 7. Any clothing size 2T would be great for these little girls.

Any age appropriate learning toys would be great gift choices. They will be three years old on December 12th.

MOTHER – Amber

A great practical gift for her would be a winter coat (size 18 – 20) or just mittens and a scarf. She wears size 18 – 20 pants and tops size 2X. Any clothing would be helpful and appreciated.

Grandmother – Cindy

A token gift for her would be a gift certificate from an arts & craft store. She enjoys scrapbooking and doing arts & craft projects with the girls.

FAMILY GIFT SUGGESTION:

They have a DVD player so a Blockbuster video rental certificate would be a family gift option.

When they get their own place they will need kitchen items like dishes, silverware, glasses & cups, plastic storage containers, pots, pans & kitchen utensils. A gift certificate from Value Village or the Salvation Army would be very helpful. Used items would be great.
