## Connecting to eduroam on Windows 10

## eduroam configuration for Windows 10

Navigate to the CAT installer page using the QR code or URL:

## https://cat.eduroam.org/?idp=2487&profile=430 4

You should see the page below left; click the large link "Download your eduroam installer MS Windows "When prompted "What do you want to do..." click "Run." Once the small installer has downloaded, you will see a "Welcome" dialog box that includes support contact; click "Next".

eduroam Intervation Associated Tool	tan page	Welcome to the eduroam® installer
University of Alaska Fairbanks		This installer has been prepared for University of Alaska Fairbanks. The installer will create the following wreless profiles: educeam, educeam-test.
If you encounter problems, then you can obtain direct assistance from your o WWW flips_themataska.edu/di email: https://disalka.edu let:+1 907 450 8300	rganisation UNIVERSITY rrALASKA May Palae for Bar	Nos e informacion and commenta: EMAIL: Hobes(Blaelia, edu) WWW: https://www.akaka.edu/ot/ WWW: https://www.akaka.edu/ot/ Installer created with software from the GEANT project.
Download your edurcam@instater MS Windows 10 <i>l</i>	https://cat.eduroam.or	Next> Carcel

You are reminded you must have University of Alaska credentials (left image); click "OK".

Enter your UA Username when prompted (make sure the "@alaska.edu" is still present as in right image).

Installation progress is displayed (left image); in a few moments the dialog will indicate completion.

Click "Next" and you should be able to connect to eduroam using the normal wireless ("wi-fi")network connection process.
